God saw she was getting tired
And a cure was not to be.

So he put his arms around her
And whispered come home with me.

With tearful eyes we watched and
watched her fade away.

Although we loved her dearly,
We could not make her stay.

A golden heart stopped beating,
Her spirit was at rest.

God broke our hearts to prove to us,
He only takes the best.

We love you Jackie and will forever cherish your memory,
Forever in our hearts, in God's loving arms.

"A Sophisticated Lady"

Jacqueline Range was born to Willie Elijah and Willie Mae Range on September 29, 1950 in Richmond, CA. She was born a twin to Jocelin Byrd.

Jacqueline was raised in Richmond, CA and attended Kennedy High School where she was an exceptional center on the basketball team. Jackie later attended San Jose State University, then moved to Southern California and resided there until her passing. Jacqueline was a member of Tabernacle of Faith Baptist Church in Los Angeles, CA.

Jackie, as she was commonly referred, had a sense of style, class, and sophistication that was greatly respected. She had impeccable taste and was immaculate in every facet of her life. Her eloquence and grace was recognized by all who came in contact with her. Jackie was a Jazz enthusiast and was an excellent cook. Jackie was also a movie buff and her off-beat sense of humor made watching movies with her enjoyable, as she would most times inadvertently discuss how a movie would end mid-way through. She had a strong work ethic and often talked about her career in technology at Farmers Insurance Company.

Most of us will remember Jackie for her unconditional love and generosity. Jackie would literally "give you the shirt off her back" if you asked. Jackie also had a calling for mentoring young people and has mentored many family members in college: Calvin Bryant, Sharon Nelson, Kim Range, Carolyn Hackett, Saudia Sutton, Sherice Nelson, Terrance Williams, Ashley Nelson, and Cadrena Heard.

Jackie's niece Carolyn Hackett moved to Southern California to attend California State University Northridge in 1980; Jackie was elated as they shared many unforgettable memories. Jackie was again blessed as her great-niece Ashley Nelson move to Southern California to attend California State University Northridge in 2008.

Jackie was blessed to have two families; a Northern California family and a Southern California Family.

Her northern California family includes 4 sisters: Elna Mae (Robert) Carter, Aneesah (Lula Mae) Haamid, Rosie Lee (Julius) Jefferson, Jocelin(George) Byrd 4 brothers, Charles Range, James Range, Arthur Range, and Michael Range. Both of her parents and eldest brother Richard Range preceded her in death. Her great-grandmother, Elnora Wilson fondly referred to as "NaNa" preceded her in death. Jackie's Northern California family also includes stepbrother Leon Mc Fadden and cousin Gloria Benton. Stepmother Minnie Range and stepsister Linda McFadden preceded her in death.

Jackie's Southern California Family includes her dear Aunt Ernerstine Williams-Bell who was a mother figure to Jackie. "Aunt Stean" as she was fondly referred preceded Jackie in death. Cousins in southern California include Bertha (John) Bryant, Willie (Sharon) Williams, Sheryl Williams, Carolyn Williams, Herbert Williams, Hubert (La nita) Williams. Cousin Percy Williams preceded Jackie in death.

Jackie was Godmother to Hubert Williams Jr. and Saudia Sutton. Godson Hubert Jr. preceded her in death. Jackie spread her love to the younger generation and absolutely adored Robyn's son, Jaelyn and Ashley's daughter Aliyah.

Jackie battled a courageous fight with breast cancer and never complained. Jackie will be sorely missed and leaves to cherish her memory four brothers and four sisters, 21nieces, 21nephews, and a host of great-nieces and nephews, great-great nieces and nephews, cousins and friends.

Just think,
You're not here by chance,
but by God's choosing,
His hand formed you and
made you the person you are.
He compares you to no one
else you are one of a kind.
you lack nothing that
His grace can't give you.
He has allowed you to be here
at this time in history
to fulfill His special purpose
for this generation.
